Sealed two-part tenders are invited by Baroda Uttar Pradesh Gramin Bank, Regional Office, Rae Bareli from bonafide local based owners and suppliers of Diesel Generating Set of capacity 25 KVA on hire basis and having at least -3- years experience in the same trade in Govt. /Public Sector or reputed private sector organizations, for providing one 25 KVA, Single phase silent Diesel Generating Set in good condition, on hire basis for supplying electric power during load shedding/power failure, to bank's Regional Office at 151, Karorimal Complex, Beliganj, Rae Bareli. The D.G. Set will be installed in Outside of Bank at ground floor of the building or elsewhere and the same should be capable of supplying continuous/uninterrupted 1-Phase power to the extent of 25 KVA to bank's electrical installations/equipments during power failure at any point of time as and when required basis.

The scope of services and terms and conditions for hiring the D.G. Set are as under:-

- 1. Rate is to be quoted for monthly rental charges/including diesel used for 25 KVA, 1-phase, silent D.G. set in acoustic box complete with all accessories on hire basis with services of the operator, possessing the requisite and valid electrical license, for running the D.G. Set. Rate of Service Taxes/VAT, if any payable, should be quoted separately in the tender.**
- 2. All cost for maintenance and servicing of the generator including the cost of spare parts and periodical replacement of Mobil oil are to be borne by the Generator provider.**
- 3. The tender should remain valid for a period of 45 (forty five) days from the date of opening.**
- 4. The D.G. Set offered on hire basis, should not be more than -3- years old and the same should not have run for more than 10000 hours.**
- 5. The D.G. Set should be maintained properly to keep the same in good satisfactory running condition at all times for supplying emergency power to the extent of 25 KVA.**

- 6. The permission of statutory authorities like UPPCL, Directorate of Electricity etc.. towards installation of the D.G. Set at no extra cost. However, the requisite fees payable to statutory authorities for obtaining such permission will be paid by the Generator Provider.**
- 7. The arrangements for providing accessories like Cables, change-over, switches etc., if required any, will be made by the bank at its own cost.**
- 8. The arrangements for providing exhaust pipeline of the D.G. Set, as per requirement and specification of Statutory Authorities, will be made by the Bank at its own cost.**
- 9. The charges for transportation, loading & unloading of the D.G. Set for installation of the same in the generator room or elsewhere of Bank's premises, as identified by the Bank, will be borne by the contractor. Mending of any damage caused to the Bank's property during loading, unloading of the D.G. Set in Bank's premises will be done by the contractor to original finish, at their own cost.**
- 10. Successful bidder should be in a position to install and commission the D.G. set in Bank's premises within 7 (Seven) days from the date of awarding the contract.**
- 11. Electricity Duty, if any, payable to the State Govt., depending on running hours of the D.G. Set will be borne by the bank. However, installation of the energy meter with its calibration and registration with the Statutory Authority, will be done by the contractor at their cost.**
- 12. The contract will remain in force initially for a period of one year from the date of satisfactory commissioning of the D.G. set at site. However, the contract is subject to termination at any time if the services are not found satisfactory or for any other reason, whatsoever. The contract may be renewed for further period at mutually agreed rates/charges and keeping other terms and conditions unchanged, depending on satisfactory services rendered by the generator provider and requirement of the Bank.**

- 13. In case of any major break down of the D.G. Set requiring repairing time for more than one hour, an alternative interim arrangement will be made by the generator provider immediately by providing a substitute generator of identical capacity at no extra cost. For non-functioning of the D.G. Set or in the event of failure on the part of the generator provider to provide an alternative interim generator of identical capacity within one hour or during power failure/load shedding, penalty at double the pro-rata rate will be imposed and deducted from monthly bill for the generator.**
- 14. Tenders should be submitted along with the earnest money deposit for the prescribed amount and in the prescribed mode. Tenders submitted without earnest money deposit will be summarily rejected. The earnest money will not bear any interest. The earnest money deposited by unsuccessful bidders will be refunded after awarding the contract to the successful bidder and on receipt of the unsuccessful bidders' letter in that respect. The earnest money deposited by the unsuccessful bidder will be refunded after installation and commissioning of Gen. set.**
- 15. The deployment of operator for running the Generator should comply with the Labour legislation Act. and minimum wages Act of Govt. of India and Govt. of Uttar Pradesh.**
- 16. The Contractor will have to remove D.G.
